THE RULES OF TARIFFS APPLICATION

1. These Tariffs set the amount and charging period of commissions and fees for provision of CJSC «ISBANK» remote banking services to legal entities and individual entrepreneurs.

2. The Bank reserves the right to charge special or additional tariffs for services, provided that these tariffs are specified by a separate/additional agreement to the agreement on electronic means of payments with the Customer.
3. The amount and charging period of commissions can be changed by the Bank unilaterally. Notifying customers of changes in the Tariffs is performed by placing new tariffs on the Bank's accessible to public spaces (on information stands of the Bank's operational units and/or on the Bank web-site www.isbank.com.ru), as well as by sending written information through iBank2 System, not later than 5 working days before the introduction of new tariffs into effect.
4. The amount of commission for each transaction shall be rounded to the second significant digit of the fractional part:
 - Upwards if the value of thousandths exceeds or equals to "5";
 - Downwards if the value of thousandths is less than "5".
5. Commissions charged by the Bank as per these Tariffs for services provided are non-refundable, unless they are charged erroneously.
6. The Bank reserves the right to request from the Customer documents confirming the reason of the transactions and clarifying their economic sense. In some cases, transactions can be effected dependent on the documents provided by the Customer.
7. Notes:
 - month - the calendar month, including incomplete calendar month which contains the opening or closing date of the account.
